

The Ambiance of Lovely Chatham By The Sea

There are activities for the entire family in Chatham! Our beaches are some of the most beautiful anywhere. Enjoy the warm waters of Nantucket Sound or take the boat shuttle across Pleasant Bay to North Beach, walk over the dunes and try a bracing dip in the Atlantic Ocean. Walk for miles on the pristine beach searching for shells and sand dollars. Fish for striped bass and bluefish with one of our charter fishing boats. Take the kids to see the seals up close and personal with one of the seal watch cruises.

Bike all the way to Provincetown on the new bike path. Play golf on one of the 50 fine courses on Cape Cod. Enjoy shopping and antiquing in our unique shops that line Main Street. Stop for lunch or dinner at one of the fine restaurants and enjoy seafood caught that very day! Don't miss going to the Fish Pier on Shore Road and watch the fishing fleet unload their catch about 3 p.m.

Take a step back in time and visit Atwood House, our historic museum on Stage Harbor Road. Here you will see relics from the sea captains of over a century ago, the world famous Alice Stalknachit murals as well as exploring the eighteenth century

home and learning how our ancestors lived. The kids also will love the Railroad Museum on Depot Road, housed in the original train depot.

Right across the road is the baseball field where the Chatham As have games all summer...some going on to major league fame.

Want to see some local color? Stop at Larry's PX at Shop Ahoy and see the shell fishermen having breakfast after an early day out on the clam flats.

Want to relax on the beach for the day? Check a book out at the historic Eldredge Library and order a box lunch from one of the good sandwich shops.

Enjoy an evening's entertainment at the Monomoy Theater, home of the Ohio University

Players...the stars of tomorrow! And don't forget the Chatham Band concerts in the park every Friday night during the summer.

Take time to enjoy all our beautiful village has to offer...and we guarantee you'll be back soon!
